

### **Pray for the Carr Family:**

For God's grace in their lives as they grieve an adoption that did not happen.  
For God to work redemption and salvation in the life of the birth mother.  
For God's continued guidance in the adoption journey as they wait to be matched with another child.

### **Pray for the Bills family:**

For the adjustment to becoming a family, and for time to connect.  
That their relationship with Isaac's birth family continues to grow and develop in a positive way.

*Our ministry is to those made vulnerable by  
unfortunate circumstances and whose  
vulnerability is compounded by their youth.*
