

Boys Farm

Newberry, South Carolina

Pray for the house parents who live in the cottages with the children, for renewed emotional and spiritual strength and commitment. Since COVID, they have transitioned to a hybrid of homeschooling which is challenging.

Pray for the children as they cope with this new "normal". Pray they will stay focused on the importance of school and strive to work hard in their school subjects.

Pray for continued financial support during this time. We have heard from several foundations and donors that they may not be able to fund us as they have in the past. But our trust is in God, He has sustained us for over 60 years and we are confident He will continue to provide for all our needs.
