

Hope for the Fatherless

Transforming the lives of orphaned and vulnerable children in Ethiopia

Pray for more adoptive families.

Pray for favor from the government as HFTF seeks to obtain land in this upcoming year.

Pray for the holistic health of the children living in our homes and their personal growth and development this year.

Praise for 7 adoptions this year - All to Ethiopian families!

*Our ministry is to those made vulnerable by
unfortunate circumstances and whose
vulnerability is compounded by their youth.*
