

# Miracle Hill Ministries

*Showing Christ's love to children, women, and men experiencing homelessness*

Upstate, South Carolina

Pray for the Miracle Hill Children's Home, a foster care community where up to five foster children live in each home with a family.

Pray for guidance as they recruit and provide training and support for foster families.

Pray for more South Carolina families willing to foster teens and sibling groups.

*Our ministry is to those made vulnerable by  
unfortunate circumstances and whose  
vulnerability is compounded by their youth.*
